

Standing Alongside

A reflective day

During the day we will reflect on what clues the gospels give us about what it means to stand alongside people in their joys and sorrows. How did Jesus minister to those who were on the margins,

grieving, or in mental or physical pain? What does his attitude to these situations influence the way he met and ministered to them? What does it say to us in our circumstances? A reflective day in nature with time and space to pray and discern what God might be saying to us as individuals about our own care for others.
